Dear Colleagues:

Re: Systemwide Review of Proposed New Policy APM - 430, Visiting Scholars

Enclosed for Systemwide Review is proposed new policy APM - 430, Visiting Scholars. The proposal is responsive to campus requests to create a new title to accommodate domestic and international visitors who are students enrolled in universities in the United States and abroad, and academics employed at other institutions who are visiting the University of California for short-term academic or cultural exchange experiences.

These visitors are ineligible for any other academic title. Educational criteria is flexible, and there is no salary requirement beyond the established campus minimum funding standards already in place to satisfy federal visa requirements relating to funding for exchange visitors. Self-funding, either by personal funds or third-party funding payable directly to the Visiting Scholar, is required. Visiting Scholars are ineligible for University compensation. University of California titles available for compensated appointments are within the postdoctoral scholar title series and the specialist title series.

This policy is intended to support the International Students and Scholars Offices (ISSO) as well as Visiting Scholars. The policy does not provide instruction related to visa classification. However, it assumes that the ISSO and Visiting Scholars will abide by current federal regulations as well as University and campus policy related to visa sponsorship.

Systemwide Review is a public review distributed to the Chancellors and Executive Vice Chancellors requesting that they inform the general University community, affected employees and unions about policy proposals. Systemwide Review also includes a mandatory, three-month full Senate review.

Employees should be afforded the opportunity to review and comment on the draft new policy, available online at: http://www.ucop.edu/acadpersonnel/apm/review.html. Attached is a model communication which may be used to inform non-exclusively represented employees affected by these proposals.
