Chair, Committee on Faculty Welfare

Re: Second Review of APM 700's "Presumptive Resignation Policy"

The Committee on Faculty Welfare has nothing substantive to add regarding the latest draft of the presumptive resignation policy. We do note with satisfaction that both of our earlier suggestions are now incorporated into the present draft by adding a time line and by protecting faculty who may be unable to communicate because of exceptional circumstances (APM 700-30c,d,&e).
