RE: Regulation R.8 and R8.1 recommendations

The CHASS Executive Committee discussed Regulation R.8 and R8.1 and agrees with the change. There is concern about what kind of a system would be in place to “notify departments or programs about the need to update their Section Registration Controls in SIS and for updating CRAMS and the General Catalog on these matters for new Honors courses.” The committee suggests the formation of a governing body that would “require” all departments to implement this change.
