Re: Revised Proposal to Change Senate Bylaw 55

The Committee on Privilege and Tenure reviewed the revised version of the proposed amendment to Bylaw 55 put forward by the San Diego Division. Overall our view has not changed the since we discussed in in the fall, i.e. that the proposal should have full formal consideration. Those who responded were unanimous in the view that the policy, if approved, should apply to all disciplines and not be limited to the Health Sciences.
