Re: **Changes to the Campus Off-Scale Policy**

At its January 27th meeting, the Committee on Academic Personnel reviewed the proposed changes to the Campus Off-Scale Policy and recommends the numerical listing under Unsatisfactory Academic Progress be corrected from (1) (2) (3) (3) to (1) (2) (3) (4).

Unsatisfactory Academic Progress: (1) A negative outcome on a reappointment. (2) A negative outcome on an on-time or decelerated merit action. (3) An assessment of negative on an appraisal. (3) An assessment of unsatisfactory on a quinquennial review.

CAP has concerns with this policy and looks forward to discussing the revision to the full Off-Scale Policy at a later time.
