Subject: For Final Review: UC Policy on Copyright and Fair Use - due April 14

For review by Academic Freedom, Faculty Welfare, Library, Research and the College Executive Committees

On behalf of Division Chair Wudka, I forward for **final review** the attached set of proposed revisions to the UC Policy on Copyright and Fair Use. As the note from Vice Provost Susan Carlson explains, final review is intended to confirm that revisions to the proposed policy reflect comments received during the systemwide review, and is not expected to lead to additional substantive changes in the proposed policy.

For your reference, the following link includes Council's June 2014 letter and the complete set of Senate reviewer comments to Provost Dorr last year in response to the initial review.
http://senate.universityofcalifornia.edu/reports/BJ2Dorr_Copyright_FairUse_Policy.pdf

The cover letter from Provost Dorr attached to this email notes that there is new language in the revised draft that responds directly to suggestions in the Senate commentary.

Please submit comments to senate@ucr.edu by April 14. No committee is obligated to opine in this final phase but please let me know if you do not intend to submit a response – I also recognize the tight deadline and apologize for the inconvenience. We are unfortunately tied the timeframe set by OP.

Warm regards,
Cindy
