RE: Justification for Revisions to Bylaw 182: University Committee on International
Education

The CHASS Executive Committee discussed the Justification for Revisions to Bylaw 182: University Committee on International Education at the regular meeting on March 18, 2015. The committee is concerned that this revision will add another layer of redundant reporting. It is unclear how this change will impact faculty abroad. The committee would like more clarification before further review.

Jennifer Doyle, Chair
