RE: Comment on APM 80

Date: April 8, 2015

Dear Chair Wudka:

The Executive Committee of the School of Public Policy has only one editorial comment on make on APM 80. On page 2, 4th line, we suggest the phrase "constitute a good cause" be struck and replaced with "be sufficient reason". Consequently, the passage will then read as, "...will be sufficient reason for separation" rather than "will constitute a good cause for separation."
