RE: Draft Guidelines for Pilot Program to Accept Equity for Access to University Facilities or Services

The CHASS Executive Committee discussed the draft guidelines for Pilot Program to Accept Equity for Access to University Facilities or Services at the regular meeting on March 18, 2015. The committee is interested in the pilot program whereby the University may accept equity in a company as full or partial consideration for access to University facilities and/or services ("AFS") in the context of University Incubators or Accelerators, but has no comments at this time.
