

**COMMITTEE ON ACADEMIC PERSONNEL**

Committee on Academic Personnel

Re: Campus Review. Campus Five-Year Planning Perspectives

The Committee on Academic Personnel is not certain what it is being asked to consider since the documents the committee received do not contain enough information for it to provide meaningful input. CAP therefore respectfully requests further clarification on the intent of feedback. If CAP is being asked to comment on the reasonableness of the campus plan for the next five years, it would need to know what each item involves in terms of staffing, support and the like as well as its projected impact.
