Re: CNAS Executive Committee Proposed Changes to Major Requirements – Bylaw NR 2.4.5

The Committee on Educational Policy reviewed the proposed changes to the major requirements in CNAS at their March 11, 2016 meeting. The Committee opined that the brief justification provided for the change documenting Banner not being able to code the 24 unique units is not sufficient to justify the proposed change. The Committee recommends that the CNAS Executive Committee provide a more thorough justification, which documents the impact of the proposed change on the course requirements for the major programs.
