Re: Second Systemwide Review: Proposed Revisions to APM - 360, Librarian Series and APM - 210-4, Instructions to Review Committees

The Committee on Diversity and Equal Opportunity met to discuss the proposed revisions to APM 360 – Librarian Series and APM 210-4 – Instructions to Review Committees. Upon its review the Committee did not find any language in these APM sections that call attention to diversity. CoDEO recommends that each APM section be revised to include language similar to that found in APM 210-1d regarding contributions to diversity particularly in sections pertaining to the recruitment process.
