Re: Systemwide Review of the Proposed Revisions to the Presidential Policy
on Sexual Violence and Sexual Harassment

The Charges Committee has reviewed the proposed revisions to the Presidential Policy on Sexual Violence and Sexual Harassment and has no specific suggestions to add. However, some Committee members did express concern about mandatory reporting interfering with victim's willingness to come forward. While others would like to see more specific definitions of harassment whether sexual or otherwise.

We appreciate the opportunity to review and opine on this systemwide matter.
