**RE: Proposed Revisions to SR417**

Dear Dan,

The UCR Executive Council reviewed the proposed change to [SR417](#), which was also reviewed by the Committees on Educational Policy, Preparatory Education and Undergraduate Admissions. These committees, as well as, Council are supportive of the change. The Committee on Educational Policy noted that the last sentence in SR417 should be clarified (though this was not a part of this review).

I attach to this memorandum the full responses from these committees.

The UCR Division appreciates the opportunity to comment.

Sincerely yours,

Re: Review of Proposed Changes to Senate Regulation 417 and 621

The Committee on Educational Policy reviewed the proposed changes to Senate Regulation 417 and 621 and their October 2, 2015 meeting and voted unanimously to support the proposed changes to both regulations. However, the Committee did comment that the last sentence of Senate Regulation 417 is ambiguous and that a consideration should be made to clarify the sentence.
