Re: Proposed Transfer of the Public Policy Major from CHASS to SPP

On May 30, 2017, the Committee on Planning and Budget (CPB) reviewed and discussed the proposed transfer of the Public Policy Major from the College of Humanities, Arts, & Social Science to the School of Public Policy.

The budget swap of major-head-count revenue for subvention to make the transfer budget neutral was supported for this case because the School of Public Policy is already incurring the expenses associated with administering the major (advising, for example). CPB is in support by a vote of +6-0-0.
