Re: Second Review of Campus Review-Proposed changes to Faculty Welfare  
Bylaw 8.26.1

The Committee on Rules and Jurisdiction reviewed the proposed bylaw changes for the Committee on Faculty Welfare. The committee was in support of the revision and approves the proposal by a vote +3-0-0.

Although these changes do not violate the code of the Academic Senate, the Committee has the following suggestion: Faculty Welfare might want to be more specific with respect to the make-up of the committee. For Example: 'at least one representative from each college or school'.
