RE: Re: [Campus Review] Proposed Policy: Consensual Intimate (Sexual or
Romantic) Relationships in the Workplace

Date: February 16, 2018

The Executive Committee of the School of Public Policy is supportive of campus efforts to clarify its policy on consensual relationships to avoid future conflicts of interest that arise when a power differential exists between individuals involved in a relationship.

Only suggestion is a minor edit on page 2, first sentence of second paragraph in Section III (Policy) that suggests striking the phrase "be taken".
