RE: UCR 5-Year Planning Perspectives – 2018-2023

The Committee on Planning and Budget (CPB) discussed UCR's 5-year planning perspectives and felt the document largely concurs with current planning on campus. However, the committee found a few errors: the Entomology BS/MS should have a status of "3," not "1." Similarly, the Business Analytics proposal has also made its way to the Senate for review and the status should be a "3," not a "1." Finally, the Biophysics proposal is a pending graduate program proposal, not an undergraduate proposal; this should be updated on the spreadsheet.
