Committee on Rules and Jurisdiction
Report to the Riverside Division

Proposed Change in Bylaw 8.9.3.5

To be adopted:

Present:

8.9.3.5 Solicit and rank requests for Instructional Use of Computer (IUC) allocations

Proposed:

8.9.3.5 Solicit and rank requests for grants for Innovative Uses of Computers in Instruction.

Justification: The IUC funding program was terminated several years ago. In its place, the Associate Vice Chancellor has been allocating funds for a grant competition held annually by the committee that continues some of the prior functions. We request this change of language to better reflect current conditions, and do not regard the requested change as a substantive modification of the goals of the committee.

The Committee on Rules and Jurisdiction finds the wording consistent with the Code of the Academic Senate: 11/15/99

Endorsed by the Advisory Committee: 12/6/99
