Present:

NR2.3  Study List Regulations

NR2.3.3  Up to the end of the third week of classes a student may, with the approval of his/her advisor, add a course to his/her study list. Up to the end of the fifth week a student may, with the approval of an advisor and after consultation with the instructor in the course, drop a course without penalty.

NR2.3.6  Any changes in a student’s study list not covered by the above regulations must have the approval of the Dean.

Proposed:

NR2.3  Course Enrollment Regulations

NR2.3.1  Course enrollments in any quarter of fewer than 12 units must have the approval of the Dean of the college.

NR2.3.3  Up to the end of the second full week of instruction a student may add a course to his/her enrollment. During the third full week of instruction a student may, with the approval of his/her advisor and instructor, add a course to his/her enrollment. Before the end of the second full week of instruction a student may, without prior approval, drop a course without penalty. From the second through the sixth full week of instruction, a course may be dropped with the approval of the advisor.

NR2.3.6  Any changes in a student’s quarterly course enrollment not covered by the above regulations must have the approval of the Dean.
Effective Upon Approval

Justification:
The proposed changes will bring the college regulations in line with the recently approved campus regulation changes to R1.1.3, R1.1.4, R1.1.4.1 and R1.1.5. Other changes are strictly housekeeping, study lists are no longer provided to the students. Course enrollments are now available on line.
