</table>

**Justification for Proposed Changes:**

After reviewing the course description for Biology 123 (Introduction to Virology) and the recent BCH Petitions by our Majors to use this course towards their Biology Emphasis it has been determined by the faculty that this course would be an appropriate addition to the current list of Biological Science Electives.

**Effective: FALL 2003**

Approved by: Departmental Committee on Educational Policy 3/19/03 Dr. Helen L. Henry, Chair

Approved by: Michael F. Dunn, Acting Chair 3/21/03 Dr. Michael F. Dunn, Acting Chair

Reviewed and Approved by CNAS Executive Committee: April 2, 2003

Approved by the Committee on Educational Policy: April 10, 2003
