To be adopted:

Proposed Changes in Requirements for a Minor in Statistics.

Present:
The requirements for the minor consist of at least 24 and not more than 28 upper-division units in Statistics to include the following:

1. STAT 100A and STAT 100B or STAT 120A and STAT 120B
2. Eight (8) units from STAT 127/BSAD 127, STAT 130, STAT 140, STAT 146
3. Four (4) units from STAT 147, STAT 157
4. Four (4) additional units from 2. or 3. above

No more than 8 of the 24 units may be in courses required in the student’s major.

Proposed:
The requirements for the minor consist of at least 24 and not more than 28 upper-division units in Statistics to include the following:

1. STAT 100A and STAT 100B or STAT 120A and STAT 120B
2. Eight (8) units from STAT 127/BSAD 127, STAT 130, STAT 140, STAT 146
3. Four (4) units from STAT 147, STAT 157
4. Four (4) additional units from 2. or 3. above

Of the specified upper division units, a minimum of 16 must be unique to the minor and may not be used to satisfy major requirements.

Justification: The statement has been changed to comply with Academic Senate Regulation N 3.4.3.
