Admission by Exception (AxE) is an offer of admission reserved for applicants who meet the minimum academic requirements and:

1. Have a special talent, or
2. Have attained academic achievement despite major disadvantages compared to other students.

Effective Fall 2006, the Office of Undergraduate Admissions may admit the number of AxE applicants required to yield 6% of total freshman enrollment and 6% of total transfer enrollment.

Up to 1% of the AxE enrollments may be reserved for Special Talent applicants and the remaining 5% may be reserved for Disadvantaged applicants.

The following criteria have been developed and approved by the Undergraduate Admissions Committee of the UC Riverside Academic Senate.

I. Minimum Academic Requirements

Applicants who are ineligible will meet the following minimum academic criteria in order to be considered for AxE.

Freshman Applicant

1. GPA – \(3.00\text{ to }7.0\) minimum in a-g subjects.
   - SAT Reasoning - \(420\) minimum score on the Math component AND a \(380\) minimum score on EITHER of the two remaining components (Critical Reading and Writing). OR a minimum composite score of \(850\) on the Math component and the next highest score from the other two components (Critical Reading and Writing).
   - Applicants who are unable to meet this requirement prior to high school graduation because either, 1) the exams are not offered in their home country and/or 2) they will participate in the UCR Extension Intensive English program prior to taking the exams, may be considered for admission by completing the exams post high school graduation.
   - ACT Composite score of 176-composite (Sum of SAT Critical Reading and Math = 830ACT translation table = 400) AND a minimum ACT English/Writing score of 17 (SAT Writing = 420)
   - -Applicants who are unable to meet this requirement prior to high school graduation because either, 1) the exams are not offered in their home country and/or 2) they will participate in the UCR Extension Intensive English program prior to taking the exams, may be considered for admission by completing the exams post high school graduation.

2. a-g Course Omissions - 3 courses or less (no Math or English omissions/deficiencies are allowed).

3. Transferrable coursework taken after the summer following high school graduation – up to 30 units of transferrable coursework can be considered
for freshman admission for international students in the Admission Preparation Program and other circumstances as warranted.

4. Gap Year – freshman applicants that have a gap in their educational record of up to two years may be considered for freshman admission.

Transfer Applicant

1. GPA - 2.00 minimum allowed in transferable courses.
2. Units - A minimum of 24 transferable quarter units.
3. Subject Requirements – at least one transferable English Composition course; one transferable math course (has intermediate algebra as a prerequisite OR may use intermediate algebra); and one appropriate third course from the required 7 course pattern.

All applicants who meet the above academic criteria may compete equally for AxE consideration. Declining academic performance is a factor used to defer applicants even though they may meet the criteria described above. Exceptions to the above criteria are rare. Applicants who do not meet these criteria must demonstrate acceptable alternative academic achievement (see below: IV. Special Committee Review).

II. Definitions of Applicants that can be Considered for AxE

1. Special Talent Applicants (up to 1%) – applicants satisfying the above stated minimum academic requirements may be considered for AxE if one or more of the following factors have been demonstrated at an exceptional level:

- outstanding achievement in a specific subject area;
- self-motivation and initiative;
- leadership;
- public or community service;
- athletics;
- completion of significant special projects;
- special endorsement of academic promise from their school;
- demonstration of academic promise by achievement in specific areas of study; and/or
- marked improvement in academic performance as demonstrated by academic grade point average and/or enrollment in accelerated, challenging course work (e.g., honors, Advanced Placement, International Baccalaureate, and transferable college courses).

There is no specific breakdown of the 1% according to these factors. In particular, there is no assumption that there must be a balance of students admitted from the spectrum of factors. Thus, one or just a few factors may account for the majority of special talent admissions. At the same time, however, no one special talent factor should prevent other factors from being fully considered and accommodated.

2. Disadvantaged Applicants (up to 5%) - Students satisfying the above-stated minimum academic requirements may be considered for AxE if they have demonstrated academic achievement in the presence of major disadvantages compared to typical student applicants.
Disadvantages may include geographical, physical, psychological, financial, or personal and may include, but are not limited to:

- **Low Income**: Family income and household size will be used to determine if an applicant is financially disadvantaged. The family income cutoff will be directly linked to the size of the family. A scale is used to assign variable points. The actual income cutoffs would be based upon annually published federal standards. The University of California Office of the President will provide the Undergraduate Admissions office applicable standards on an annual basis.

- **First-Generation College Attendee**: Parents of applicant have not attended college or have just recently begun attending college.

- **Disability (Learning, Physical, Psychological)**: Applicant will require further review by Special Services for recommendation.

- **English as a Second Language**: Applicant’s native language is one other than English.

- **Veteran**: Applicant is veteran of U.S. military.

- **Re-entry**: Applicant is 24 years of age or older by term of entry and has been out of school for two years or more.

- **Unusual Life Circumstances/Personal Hardship Indicators**: Applicant is or has one or more of the following: ward of the court; recent or chronic illness/injury; lives in foster home; comes from single parent family; single parent; runaway; death in the immediate family (parent, guardian, sibling); homelessness; emancipated minor; incarcerated parent; a current/former inmate of a correctional facility; parolee; and/or a victim of physical/sexual abuse.

- **Location of Residence and/or Limited Educational Opportunity Indicators**: Applicant lives in or around one or more of the following: inner city dwelling/school; rural dwelling/school community with a high crime rate, high unemployment rate, low education level.

- **Applicant attends high school where the following occurs**: applicant is bussed to school (therefore, cannot participate in extra curricular/enriching activities); high school does not offer AP/Honors curriculum or high school does not send many applicants to UC; high school has low college-going rate, low high school graduation rate, and low high school test scores (mean average less than 500 on SAT I math and verbal).

- **Job**: Applicant is working during school year to supplement family income, save for college, or fulfill other basic needs.

- **Recent Immigrant Status**: Applicant has moved within last six years from non-English speaking country.

- **Applicant from another Country**: applicant attended high school or higher level education in another country and is unable to meet traditional UC admission requirements.

The mere presence of one or more of the above factors does not justify review for AxE, since such factors exist to some degree for many applicants. Review is justified only in
situations where the student’s achievement, despite harsh challenges, is truly astounding. Such situations are expected to be rare.

III. Review Process

Applicants who qualify for AxE may be identified by the Undergraduate Admissions office in their regular review of applications, by academic departments, or by the Athletics Department. Applicants identified through any of the aforementioned offices will be processed as follows:

1. **Undergraduate Admissions office**: Applicants identified by the Undergraduate Admissions office will be forwarded by the Admissions Counselor to the Assistant Director- Freshman Evaluations, the Assistant Director-Transfer Evaluations or the Assistant Director- International Evaluations as appropriate. Upon review and in consultation with the Director of Admissions, a decision will be made to determine if an AxE offer will be made.

2. **Academic Departments**: Academic departments, which independently identify applicants, will prepare a letter of endorsement and forward it to the Undergraduate Admissions office for a final decision. The application file will be reviewed by the Assistant Director- Freshman, Transfer or International Evaluations who will consult with the Director of Admissions to determine if an AxE offer will be made.

3. **Athletics Department**: The Athletics Department will prepare a letter of endorsement and forward it to the Undergraduate Admissions office for a final decision. Upon receipt of the Athletic Release Authorization Form and the Request for Admission by Exception Form, the Assistant Director-Freshman, Transfer or International Evaluations will process the AxE offer.

IV. Special Review Committee

Applicants who do not qualify for AxE yet request to be considered for AxE or are endorsed supported by either a UCR faculty, staff or department Academic Department or the Athletics Department may be reviewed by a Special Review Committee comprised of UCR faculty with staff from the appropriate UCR unit, staff from the Academic Resource Center Learning Center, the Director of Undergraduate Admissions and the Admissions Counselor coordinating Athletics review as Ex-Officio members. The Special Review Committee will determine the possibility of academic success at UCR based on:

1. Past academic history as reported on the Application for Undergraduate Admissions and Scholarships;
2. An academic evaluation by the Undergraduate Admissions Office of all requested official transcripts and completed test scores;
3. The Personal Statement; and other indicators
4. Additional requested materials.

As a condition of admission, the Special Review Committee may require the applicant to:

1. Produce an additional writing sample;
2. Meet specific goals at The Learning Center; and/or
3. Meet specific goals from the Athletics Department’s required Study Table;-; and/or
2.3. Meet other conditions as deemed appropriate.

The Special Review Committee is comprised of three faculty members and three University staff members in Ex-Officio status. The current membership is as follows:

**Faculty Members:**
- Faculty Athletic Representative to NCAA Anthony Norman, Distinguished Prof of Biochem & Biomedical Sci, Emeritus
- Biochemistry, Professor
- Faculty Representative J.W. Gary, Professor of Physics and Astronomy
- Undergraduate Admissions Committee Representative Vivian Nyitray, Department Chair, Religious Studies
- Alternate Faculty Member Mindy Marks, Assistant Professor of Economics
- Wendy Su, Assistant Professor, Media and Cultural Studies
  Undergraduate Admissions Committee Representative

**Ex-Officio Staff Members**
- Mr. Gabriel Mendoza, ACE Program Coordinator, The Learning Center
- Ms. Merlyn Campos, Director of Undergraduate Admissions
- Emily Engelschall, Acting Director Undergraduate Admissions
- Mr. Rudy Jimenez, Admissions Counselor
