PROPOSED

8.18.1 The committee will have at least nine members, preferably of tenure rank. One committee member shall be appointed from the social sciences departments and programs of the College of Humanities, Arts, and Social Sciences; one member from the arts departments of that college; and one member from the humanities departments and programs of that college. One committee member shall be appointed from the natural sciences departments and programs of the College of Natural and Agricultural Sciences; one member from the biological sciences departments and programs of that college; and one member from the physical sciences departments and programs of that college. One committee member shall be appointed from the Bourns College of Engineering, one from the Anderson Graduate School of Management and one from the Graduate School of Education. The Chair normally also serves on the University Committee on Planning and Budget. Two P&B members, one of which may be the Chair, will also serve on Chancellorial Advisory Committee (COSSA). (Am 25 May 95) (Am 28 May 98)(Am 17 Feb 09) (Am 29 May 12)

Statement of Purpose and Effect: Membership on the Committee on Planning & Budget has been difficult to fill for several academic cycles, a situation made more problematic by requiring members of tenured rank. The proposed change broadens the perspective of the members by allowing participation of junior faculty and increases the likelihood of participation by the smaller departments, schools and colleges who may not have enough tenured faculty to accommodate all Senate committees.
