ANNUAL REPORT TO THE RIVERSIDE DIVISION  
DECEMBER 5, 2017**

**To be received and placed on file:**

The Committee on University Extension met three times this Academic Year and conducted a virtual meeting through iLearn and email in July 2017. In the 2016-2017 academic year the Committee examined and approved 564 course and instructor proposals in the X300-400 series and 40 course and instructor proposals in the X1-200 series. The Committee also approved 15 programs for extension certificates and diplomas.

The Committee would like to commend University Extension for their continuing efforts to expand offerings in new directions, and for the high quality of all programs. University Extension has developed a number of very innovative programs this year, and the quality of instructors continues to be excellent. The Committee would like to thank the Dean of University Extension, Sharon Duffy, and University Extension Academic Services Coordinator Linda Coco for an excellent job in presenting the best candidates for review and approval by the Academic Senate Committee on University Extension and for promptly providing additional information for proposals as requested by the Committee.
