To be received and placed on file:

During the 1997-98 academic year, the Committee on Scholarships and Honors performed the following tasks:

The committee met on December 10, 1997 and unanimously voted to approve the Conflict of Interest statement pertaining to the Committee on Scholarships and Honors. At the same meeting C. Myers, Mary Coronado and Sheryl Hays presented information regarding the guidelines for the Regents' and University Scholarships. The plans for the 1998-99 academic year are as follows: Regents' Scholarship - We are planning to award 50 Regents' Scholarships. Chancellor's Incentive Scholarship - As was the case in the previous year, student eligibility will be based on SAT scores and there will be about 525 students eligible for this scholarship.

The committee met on January 28, 1998. The director of Financial Aid attended the session to finalize the decisions about Regents' Scholarships. It was decided that all students with a combined SAT score above approximately 1370 (the actual cut off score would be determined by financial aid after a bit more number crunching on their part) will be offered Regents' Scholarships. The next 525 eligible students will be offered a Chancellor's Scholarship.

The committee will be meeting in late May 1998 to confirm the Carl Fuglie award and to decide on the recipients of the Chancellor's Honor's Awards.

The committee thanks the staff of the Office of the Academic Senate and the Financial Aid Office represented by Mary Coronado and Sheryl Hays and C. Myers (VC, Enrollment Management) for their assistance.
