Note: A maximum of 12 upper division transfer units of established equivalency in Art courses is accepted for credit. Equivalent transfer units in lower-division studio art course work and lower and upper-division Art History course work is also accepted for credit toward the major in the respective lower- or upper-division category.

A minimum of 36 units of Art must be taken in residence (UCR Department of Art) to fulfill the major.

Justification:

Art History 186 was overlooked as an optional course when we submitted the last change to the major. We are correcting that oversight and adding the words "or any other upper-division Art History course that covers the period 1945 to present" to allow for changes or innovations in Art History course development.

We are removing the comma after the word Art in the last sentence of the "Note" as it is unnecessary.
