Proposed Amendment to Bylaw 8.18.2
Committee on Planning and Budget

To be adopted:

Present: 

8.18.2 The committee shall provide advice to the chancellor and represent the Division on matters concerning the distribution of resources on campus. It shall also be the duty of the committee to consider, provide advice and report on such matters of academic planning and resource allocations which may be referred to it by the University Committee on Planning and Budget, the Academic Council, the chancellor, the vice chancellors, the Division, or by any committee of the Division.

Proposed:

8.18.2 ... the Academic Council, the chancellor, the vice chancellors, the deans, the Division, or by any...

Justification

Plans for the decentralization of administration within the University of California and this campus will soon lead to a situation in which budgetary decisions that were formerly reserved for chancellors and vice-chancellors will be made by deans. This proposed change will make it possible for the Committee on Planning and Budget to render advice to this additional level within the administration, to make sure that the Academic Senate will continue to play a role in all significant budgetary decisions.

The Committee on Rules and Jurisdiction finds the wording consistent with the Code of the Academic Senate: 3/6/98

Endorsed by the Advisory Committee: 3/9/98
