To be adopted:

Proposed Change in Regulation HSR2.8.3

Present

A minor shall consist of not fewer than 16 nor more than 28 units of organized upper-division course work. In disciplinary minors at least 18 of these units shall be selected from among courses accepted for the major.

Proposed

No overlap may occur among courses used to satisfy upper-division course requirements for a major and a minor.

Justification: The CHA&SS Executive Committee and Faculty voted its approval (3/22/95, 4/6/95) to a policy that allows no overlap between a student's major and minor. Minors require 16-28 units. To allow overlap with the major would dilute their substance even further.

NOTE: This issue was sent back to the Executive Committee by Educational Policy on 4/19/95 for further discussion. At that time it was being considered by the Committee and Educational Policy in addressing an issue of overlap between the departments of Art and Art History. It is now being submitted again, but separate from the Art/Art History issue.

Effective Date: Fall, 1999
Approved by CHA&SS Executive Committee: 4/29/98
Approved by CHA&SS Faculty: 6/3/98
Approved by the Committee on Educational Policy: 12/9/98
The Committee on Rules and Jurisdiction finds the wording consistent with the Code of the Academic Senate: 3/8/99
