Re: Conflict of Interest Statement

The Committee on Faculty Research Lecturer approved the re-adoption of the following conflict of interest statement for 2013-14:

If a member of the Committee on Faculty Research Lecturer thinks that a conflict of interest exists for him/herself or for another person on the committee, that member should call that possibility to the attention of the Chair. The Chair will then convene the committee, in the absence of the individual with the potential conflict. Those present will then decide by a majority vote if a conflict exists. If the decision is affirmative, the individual with the conflict will leave the room during discussion of the conflicting matter and will not vote on that issue.
