TO: DEPARTMENT CHAIRS  
GRADUATE ADVISORS  
PROGRAM ADVISORS

FM: KENNETH BARISH, CHAIR  
GRADUATE COUNCIL

At its meeting on January 19, 2012, the Graduate Council discussed the issue of requests from students to review their candidacy exams.

Programs shall make every effort to review the results of candidacy exams when formally requested by students. Requests for review should be made within one month.

The above policy was unanimously approved. The policy should be included in the Graduate student and graduate advisor handbooks.
