Re: Changes to the CALL

CAP has reviewed the current CALL and does not recommend or suggest any changes this year. In addition, CAP reviewed the suggestions submitted by others on campus and has no comments to add. Many of the suggested changes were cosmetic or “clean up” and we encourage the Academic Personnel Office to respond accordingly. Other suggestions had to do with changing the schedule for due dates, which we do not endorse.

The one suggestion we completely agree with is the following:

“For each co-authored item on the Difference List (excluding abstracts or reports), candidates should indicate whether they are the corresponding author, explain their role (a maximum of 3-4 sentences), and provide information about the collaborators (e.g., graduate student, post doc or technician; rank and institution of collaborator).”
