

UNIVERSITY OF CALIFORNIA RIVERSIDE Resolution on Share Commitments to the Master Plan for Higher Education – December 1, 2009

Resolution on shared commitments to the Master Plan for Higher Education
The following resolution passed by votes were counted: 52 in favor, 4 opposed, 5 abstentions.

D.AS/RIV/001

WHEREAS the Master Plan for Higher Education in California—a document that for five decades has helped produce a top-ranked university system that serves the people of California with excellence and access—is under grave threat;

THEREFORE be it resolved that we call on the state government and the Regents of the University of California to reaffirm their shared commitment to carrying out the Master Plan.
