**PROPOSED**

8.15 International Education (Am 26 May 88--previously Education Abroad Committee)

8.15.1 This committee consists of at least five members, and (ex officio) the campus director of the Education Abroad Program, who may not serve as the Chair of the Divisional committee. The Vice Chancellor of International Programs, the director of the International Services Center, the director of University Extension's International Education Programs, an undergraduate student, and a graduate student will serve as non-voting representatives on the Divisional committee. The representative on the Universitywide committee is normally the Chair of this committee. (Am 26 May 88) (Am 27 May 99)

**JUSTIFICATION:**

The committee is requesting that its membership be modified in two respects: (i) by having it consist of "at least five members" instead of "five members" so as to help sustain the committee if continuing members are on leave, and (ii) by adding the Vice Chancellor for International Programs as a non-voting representative on the committee, in recognition of the crucial role played by that figure in International Education at UCR.

Approved by the Committee on International Education April 30, 2004. The Committee on Rules and Jurisdiction finds the wording consistent with the Code of the Academic Senate: June 9, 2004
