   e) LWSO 193, Senior Seminar

PROPOSED:

2. Requirements for Law and Society (36 units)
   a) PHIL 007 or PHIL 007H
   b) LWSO 100
   c) One course chosen from the following:
      ECON 111, POSC 114, PSYC 012, SOC 004 (or equivalent course in research
      methods).
   d) Three courses chosen from ANTH 127, ECON 119, HISE 153, PHIL 165, POSC

      POSC 111, POSC 166, POSC 168, POSC 186, SOC 147, SOC 149, SOC 180.
   f) LWSO 193, Senior Seminar

Note: In filling the dual requirements of the major, students may not count more than two
courses toward both parts of their total requirements (Anthropology requirements and
Law and Society requirements).

JUSTIFICATION:

The only substantive change is for Section [2.d]. With the growth of the Law and Society program
(nearly 500 majors), students find it difficult to meet the five-of-seven course requirement. Historically,
this problem has been dealt with by maintaining a list of approved substitutable courses. Students often
must petition to make more than one course substitution in order to meet the [2.d] requirements. The
proposed change would incorporate the substitution list into the formal requirements of the major under
section [2.e]. The change should provide students with more options and more flexibility in selecting
classes. The distinction between [2.d] and [2.e] is that [2.d] courses are broader, survey-level courses,
whereas [2.e] courses are more specialized.
