| **GR4.5** QUALIFYING EXAMINATION, QUALIFYING COMMITTEE, AND ADVANCEMENT TO CANDIDACY. | **GR4.5** WRITTEN AND ORAL QUALIFYING EXAMINATIONS, ORAL QUALIFYING EXAM COMMITTEE, AND ADVANCEMENT TO CANDIDACY. |
GR4.5.1 Upon the student’s satisfactory completion of all preliminary requirements set by the department or graduate group of his/her major field of study and by the Graduate Council, including the maintenance of an average of at least three grade points per unit in all upper division and graduate courses related to his doctoral program and elected during his/her residence as a graduate student, the department or graduate group shall nominate a qualifying committee to the Graduate Council for appointment. This committee consists of not fewer than five members, at least one of whom shall be from a department or graduate group other than that of the student’s major. The anticipated principal director of the student’s research shall normally be a member of the committee.

GR4.5.1 Upon the student's satisfactory completion of all preliminary requirements set by the graduate program and the Graduate Council, an Oral Qualifying Exam Committee shall be nominated to the Graduate Council for appointment. This committee consists of not fewer than five members. The Chair and the majority of committee members must be Academic Senate and part of the student’s graduate program. Being a part of a graduate program includes, but is not limited to, cooperating faculty and participants in interdepartmental graduate programs. At least one committee member must not be a part of the same graduate program as the student. The purpose of this “oversight member” is to enhance the scholarship of the student and the academic benefits of the exam. Additionally, the “oversight member” monitors the fairness of the exam itself and must be Academic Senate. In the absence of a unanimous decision, a result of 4 passes and 1 no pass shall result in a pass of the Oral Qualifying Exam.

| GR4.5.2 Before the student is admitted to candidacy, they must pass a series of qualifying examinations, both written and oral. The written examination is administered by the graduate program with results reported to the Graduate Division. The Oral Qualifying Exam must be conducted, and results reported to the Dean of the Graduate Division, by the student's approved committee. The Oral Qualifying Exam is not open to the general public, but members of the Academic Senate may attend. |
| GR4.5.3 Upon successful completion of the qualifying examinations, the candidate is advanced to candidacy by the Graduate Council after certification by the Dean of the Graduate Division that the formal requirements have been met. |
| GR4.6.1 A dissertation on a subject chosen by the candidate, bearing on the student's principal study and demonstrating the ability to make independent investigation, is required of every candidate for the degree. In its preparation, the candidate is guided by a Dissertation Committee, nominated to the Graduate Council for appointment. This committee is composed of not fewer than three members, the majority of whom must be Academic Senate members from the student's graduate program. The principal director of the candidate's research shall be Chair of the committee. The committee guides the candidate in their research and may conduct a final defense that is open to the general public. |
The dissertation must be prepared and presented in the form and manner prescribed by the Graduate Council.

**JUSTIFICATION and EXPLANATION OF CHANGES**

**GR4 - REQUIREMENTS FOR THE DEGREE OF DOCTOR OF PHILOSOPHY**

**GR4.1 - Notice of Intended Candidacy**
- Removing this bylaw because is not currently enforced or required by the Graduate Division. PHD students typically advance to candidacy after the completion of the Oral Qualifying Exam. It is not necessary to announce, “intended candidacy” after a student’s first term in the program.

**GR4.2 - Residence Requirement**
- Changing number to 4.1.
- No other changes as this mirrors the UCOP requirement.

**GR4.3 - Foreign Language Requirement**
- Changing number to 4.2.
- Removed the word “reading” because the knowledge of foreign language currently required in graduate programs has expanded beyond that definition. “Reading” can also imply completion of only certain language courses would be acceptable, but that is not the case in most current language requirements.
- No evidence could be found that the Educational Testing Service Graduate School Foreign Language Test still exists. The bylaw was changed to encompass language assessments tests given from UCR or other accredited organizations.
- Programs have naturally expanded beyond the three options given here, allowing “alternative certifications.” This update allows these alternatives, but also specifies that they must be approved by Graduate Council via a program change before being implemented.
- Simplified language to “graduate program.”

**GR4.4 - Program of Study**
- Changing number to 4.3.
- Removed gender specific language.
- Simplified language to “graduate program.”

**GR4.5 - WRITTEN AND ORAL QUALIFYING EXAMINATIONS, ORAL QUALIFYING EXAM COMMITTEE, AND ADVANCEMENT TO CANDIDACY.**

&

**GR4.6 - DISSERTATION COMMITTEE AND DISSERTATION REQUIREMENTS**

Last Updated: 1/10/2021
Several topics surrounding oral qualifying exam and dissertation committees have been reviewed and updated. The goal of these changes is to simplify the regulations without compromising the integrity of PhD program requirements.

There are no systemwide requirements governing oral qualifying exam and dissertation committees. The structure UCR has in place has not been reviewed or updated in over a decade. Most changes outlined here are being made to match the bylaws to current practice.

**GR 4.5.1**
- Simplified language to “graduate program”
- Removed mention of 3.0 requirement. That requirement is already covered in the acceptable progress bylaw.
- Removed specifics about who nominates the committee, student or program. This practice already varies across programs.
- Changed the name of the “outside member” to the “oversight member.” This change better explains the purpose of this member. Added expectations and additional definition/information about the “oversight member”.
- Removed requirement that research advisor be on Oral committee. A few graduate programs currently do not operate this way.
- Added language requiring a majority of the committee be academic senate members from the student’s program.
- Added pass information when the decision is not unanimous.
- Adjusted to gender neutral language.

**GR (blank) - Certificate of Resident Study**
- Removing this bylaw. This is not a certificate that is currently issued or needed.

**GR4.5.2**
- Removed gender specific language.
- Simplified language to “graduate program.”
- Unified language and formatting describing the Oral Qualifying Exam.
- Clarified that written qualifying exam results must also be reported to the Graduate Division.

**GR4.5.3**
- Removed the wording that PHD students must file for advancement to candidacy. This is a process that happens automatically once the exams are complete and confirmation paperwork of exam results are submitted. The Graduate Division currently advances students without an application.

**GR4.6.1**
- Removed gender specific language.
- Added language requiring a majority of the committee be academic senate members from the student’s program.
- Included final defense requirements that are already used in practice.

**GR4.6.2**

Last Updated: 1/10/2021
• Updated to include UCOP policy regarding open access requirement for dissertations.
