

**COMMITTEE ON UNIVERSITY EXTENSION  
ANNUAL REPORT TO THE RIVERSIDE DIVISION  
DECEMBER 3, 2019**

**To be received and placed on file:**

The Committee on University Extension met three times this Academic Year and conducted a virtual meeting through iLearn and email in July 2019. In the 2018-2019 academic year the Committee examined and approved 570 course and instructor proposals in the X300-400 series. The Committee also approved 15 proposals for extension certificates and diplomas.

The Committee reviewed the revised Presidential Policy on Sexual Violence and Sexual Harassment, proposed changes to Senate Bylaw 336, and proposed changes to the Sexual Violence and Sexual Harassment Academic Frameworks and did not note any concerns regarding the Committee's purview of University Extension.

The Committee responded to the Senate Chair's request for input on the next UCR strategic plan with the hope that UNEX will continue to provide a valuable role at UCR in the future.

The Committee consulted with the Dean of University of Extension at each meeting and provided recommendations for academic programs offered at University Extension.

The Committee would like to commend University Extension for their continuing efforts to expand offerings in new directions, and for the high quality of all programs. University Extension has developed a number of very innovative programs this year, and the quality of instructors continues to be excellent. The Committee would like to thank the Dean of University Extension, Kevin Vaughn, and University Extension Academic Services Coordinator Linda Coco for an excellent job in presenting the best candidates for review and approval by the Committee and for promptly providing additional information for proposals as requested.
