136, THEA 125E

- c) Other courses outside the Classics program related to the major with approval of the student's advisor.

Highly recommended lower-division courses are CLA 040 (Classical Mythology) and CLA 045 (The Ancient World in Film and Television). In their course selection, students should seek exposure to both the Greek and Roman components of the major. No change.

**Justification:**

We are eliminating LATN 004 for the Classical Studies Major to bring in into conformity with what we consider the preferable Greek course sequence, which consists of three quarters of first-year language followed by advanced readings in individual texts or genres.
